

# CEDRIC OLUNGA SIKOLIA

GRAPHIC DESIGNER | WEB DEVELOPER

## PROFESSIONAL SUMMARY

Innovative Web Developer and Graphic Designer with a Bachelor of Science in Computer Information Systems. Expert in bridging the gap between creative visual design and robust technical performance. Proficient in the Adobe Creative Suite and the Next.js/React ecosystem, with a proven track record of delivering WCAG-aligned websites and comprehensive brand identities for Kenyan NGOs and corporate clients. Passionate about creating digital experiences that are visually stunning, accessible, and SEO-optimized

## PROFESSIONAL EXPERIENCE

### Founder & Lead Developer Olunga Tech Creations

- Architected dynamic Next.js and Firebase single-page applications, boosting client load speeds by 40%.
- Executed end-to-end corporate branding packages, including logos and 20+ page company profiles.
- Managed full digital project lifecycles for clients like Kenya Cal-Info Systems, translating complex requirements into user-friendly interfaces.
- Implemented technical SEO and semantic HTML to significantly improve client search engine visibility.

### Freelance Graphic Designer & Web Developer

- Designed high-impact marketing collateral (posters, business cards) using Adobe Illustrator and Photoshop.
- Developed the official Gender and Disability Development Centre (GDDC) website with strict adherence to accessibility standards.
